

LOCAL SUPPORT SOUGHT FOR NEW DISTRICT PLAN

Township support of a move to change the northern boundary of the 13th Assembly District is being sought by the Hayward-San Leandro area, it was revealed Monday evening at a meeting at Dublin which was attended by several local persons.

The reapportionment of the district aims at eliminating that part of east Oakland which is now included, and at bringing the city of San Leandro (now in the 14th district with Alameda) into the 13th district. Chambers of Commerce and city councils of both Hayward and San Leandro are spearheading the move.

It was argued that the 13th Assembly District, by including a heavily populated part of east Oakland, does not allow adequate representation of Southern Alameda County geographically, especially since it by-passes the city of San Leandro.

Representatives from San Leandro were unanimous in advocating withdrawal from the 14th District, represented by Assemblyman Randal F. Dickey of Alameda on the grounds that an Alameda man can not properly represent their city.

Principal speaker at the dinner meeting in Dublin was Leonard Seeley, councilman of San Leandro. He stated that the area south of San Leandro has now exceeded the population requirements of 120,000 for an assembly district.

The interests of Southern Alameda County, he said, are mutual in respect to the problems of highways, schools, transportation, residential development, industrial expansion, bay bridges and drainage.

According to law, the California legislature is required to reapportion districts on a population basis following each federal census. It was pointed out that if the present effort to draw a new northern line for the 13th district should fail, no change could be effected for another 10 years.

While there was general agreement, from the standpoints of geographical and common interests, the reapportionment is advisable, it was viewed as doubtful that it would be favored by the assemblymen representing the three districts affected by the change.

Assemblyman Dickey of Alameda would lose the city of San Leandro and gain an industrial area southward along the bay. The present picture from a party standpoint would be upset considerably to the possible displeasure of the assemblymen now in office. Assemblyman Francis Dunn Jr. lives in the area in east Oakland which would be placed in the 15th District, represented by Assemblyman Luther H. Lincoln.

If the reapportionment is effected, Assemblyman Dunn would find it necessary to move his home southward in order to continue to represent the 13th Assembly District.

CENTER FIELD IN TRAINING PROGRAM

The Center Field Airport between Centerville and Irvington is being used as a training field for the Civil Air Patrol, according to O. W. Ebright, operator of the airport.

Each Sunday one of the seven air patrol groups in the East Bay is using the field for simulated searches, rescues, drills and maneuvers. Last Sunday the Oakland group trained at the field. Next Sunday, Feb. 4, the Berkeley Civil Air Patrol will engage in practice here.

GRAVEL EXCAVATION GETS PERMIT FROM PLANNING BODY

Permission to excavate gravel between Centerville and Niles was granted Tuesday by the Alameda County Planning Commission to D. A. Gildersleeve. The operation will involve 33 acres of land belonging to Mrs. Evelyn Perkins on the southwestern bank of Alameda Creek.

Attending the hearing Tuesday at the court house in Oakland were Col. Eugene Manning of Centerville and L. R. Batman of Niles, both of whom expressed objection to further destruction of land in Washington Township by gravel excavation.

The local men told the commission that future bridge construction between Niles and Centerville will be impossible if gravel operations are allowed to extend along the entire creek area and suggested that the area subject to future gravel excavation be limited.

They stated that extension of the gravel-hole area also is a handicap to future residential growth in the Centerville-Niles vicinity.

"Does the Planning Commission have a plan for our area?" Col. Manning asked.

"No," replied one of the commissioners. The commission allowed the permit on the condition that Gildersleeve conduct his work "with due regard to the safety of the creek bank, leaving a shoulder and dike of sufficient size, width and strength" to protect the bank.

The permit will be revocable within 30 days after a public hearing, so that if any heavy storms should damage the creek bank the gravel pit operations can be stopped.

CENTERVILLE C. OF C. OKAYS EXCAVATION

The proposal of D. A. Gildersleeve to begin a new gravel excavation operation near Centerville won the blessing of the Centerville Chamber of Commerce at the luncheon meeting of that organization Monday.

President Edgar Van Scoy had previously named Charles Wauhab, Gene Manning and Harvey Granger to a three-man committee to study the proposal. The report of their findings was given at the last two meetings of the Chamber, revealing that they stood two to one against a permit being issued by the Alameda County Planning Commission for the new operation.

"Opposing in principle any more gravel excavations in this area," was defeated by a vote of 8 to 5 with nine of the members present declining to vote.

The meeting was presided over by Vice-President E. M. Grimmer Jr. in the absence of President Edgar Van Scoy.

NILES BUSINESS MAN SPEAKS TO ROTARIANS

Niles Rotarians yesterday enjoyed a talk by H. L. Scott, Niles merchant, on his trip last fall to England. Mr. and Mrs. Scott made the entire journey from San Francisco to London by plane.

He gave an intimate description of London, recounting visits to many quaint shops and tours in the surrounding countryside. A native of South Africa, Mr. Scott was educated in England. While in London he met several former schoolmates.

BRUCE MICHAEL IS ELECTED HEAD OF TOWNSHIP CHAMBER

Bruce Michael of Warm Springs, newly elected president of the Warm Springs Chamber of Commerce, has been named unanimously by the delegates to the Washington Township Chamber of Commerce to head that organization during the coming year.

Michael will become the second president to head the Township Chamber, succeeding Dallas Paul of Centerville, who is completing his term as the organization's first president.

Other officers nominated without opposition at Wednesday evening's meeting at Alvarado, were: Walter Oakey, Alvarado, vice-president; Vernon Ellsworth, Niles, secretary; and Harry Weber, Centerville, treasurer.

INSTALLATION FEB. 28

The new officers will be installed by out-going President Paul at the next regular meeting, to be held February 28 at Centerville Justice Court.

At their meeting Wednesday the delegates voted an endorsement of the proposal for a reapportionment of the 13th Assembly District to include San Leandro and all of Southern Alameda County in a separate district. Executive Secretary Gene Manning was instructed to forward the endorsement to the Interim Committee on Elections and Reapportionments.

Bruce Michael, representing the Warm Springs Chamber, brought it to the attention of delegates that a hog ranch is being operated near Warm Springs by Mike Ramacciotti in violation of a ruling by the Alameda County Planning Commission and Board of Supervisors.

DEFIES COUNTY OFFICIALS

Ramacciotti filed an application with the Planning Commission on June 20, 1950, to operate a hog ranch near Warm Springs. Following several hearings on the application, the Planning Commission refused to allow a permit to be issued and their decision won the support of the Board of Supervisors.

However, Michael reported on Wednesday evening that Ramacciotti has gone ahead with his original plan and has been raising hogs there for several months.

President Paul named Michael, A. E. Alameda, Irvington, and Gordon Cotton, Newark, to a committee to begin an immediate investigation and report their findings to the county officials with a request for proper action.

STUDY GRAVEL PROBLEM

The members also asked that a committee be named to investigate and attempt to gain some control over additional gravel excavations in this area. It was agreed that the naming of the committee would be delayed until the new administration takes over next month.

Bill Gianella of Alvarado spoke briefly on the work being pushed

SCOUTER HONORED . . . Judge Allen G. Norris of Centerville (left) who has been re-elected president of the Oakland Area Boy Scout Council for the fourth consecutive year, congratulates Fred Duffie of Niles upon his being named to receive the Silver Beaver, the Scout Council's highest award.

FRED DUFFIE OF NILES WINS AREA COUNCIL'S HIGHEST SCOUTER AWARD

The Order of the Silver Beaver, Oakland Area Boy Scout Council's highest Scout award, was bestowed upon Fred H. Duffie of Niles at special ceremonies held Saturday evening in Oakland.

The presentation was made at the annual recognition dinner by Judge Allen G. Norris, who was re-elected to serve as president of the Council for the fourth consecutive year.

Duffie, a veteran Scouter, has served as chairman of Camping and Activities for the Council for the past three years and has been reappointed to serve in that capacity during 1951. He previously served as Troop Committee-man, Scoutmaster and Assistant Scoutmaster and as a member of

MRS. FRED KUHNE WINS P.T.A. AWARD

The annual Life Membership award of the Irvington Elementary School P.T.A. was presented to Mrs. Fred Kuhne at the Founders' Day meeting held last night at the school.

The presentation was made by Mrs. Jack Adams, chairman of the committee named to select the candidate.

In presenting the award, Mrs. Adams told the audience that Mrs. Kuhne had been selected because of her untiring efforts in promoting and working for the betterment of the organization since becoming a member in 1945. With last night's award, Mrs. Kuhne became the eighth member of the Irvington P.T.A. to receive the Life Membership Pin.

The pin denotes that a \$25 donation has been made to the California P.T.A. Scholarship Fund

SENIOR CLASS PLAY BRINGS PLAUDITS

"Our Hearts Were Young and Gay," a rollicking comedy dealing with the escapades of Cornelia Otis Skinner and her friend, Emily Kimbrough, played before an enthusiastic audience at the high school last night, and will give a repeat performance tonight.

The play is being staged by the Senior class, and is under the direction of Mrs. Martha Hartsoog. Miss Audrey Carmody, Miss Dorothy Czerny and Miss Enid Lovett are assisting. Mr. William Mette has charge of construction for the stage sets.

Those in the cast are: Steward, Barron Holland; Mrs. Skinner, Margaret Cole; Cornelia Skinner, Joanne Elias; Otis Skinner, Orbie Robertson; Emily Kimbrough, Sylvia Perry; Purser, Arlen Amaral; Dick Winters, Richard Maria; Adminal, Elias Novo.

Harriet St. John, Edna Cross; Winifred Baugh, Bernadine Abreu; Leo McEvoy, Dick Lane; Inspector, Robert Peeks; Therese, Agnes Tancang; Madame Elise, Elsa Thomson; Monsieur De La Croix, Leroy Brown; Window Cleaner, Ed Wright.

LOCAL GIRL ON TV SHOW TONIGHT

Tonight (Friday) at 6:45 p.m. over TV station KPIX, one of Niles' talented youngsters, little Miss Veronica McElvain, 7, will perform on the Kiddies Capers show.

It hasn't been many months since Veronica's big sister, Helen, 12, performed on this very show and won first prize, so Veronica is going to do her best in her song and dance numbers so that she, too, may have a chance at the first prize. The winners are selected by written-in vote of the television audience.

Both the McElvain girls, daughters of Mr. and Mrs. W. E. McElvain of Niles, are pupils of Carol Jean.

Rainmaking Proposal Creates 'Mild' Interest

County officials and members of the Alameda County Water District are "interested" in the process of artificial rain-making but not from the standpoint of supplying any funds at present to help finance such an operation.

This was the verbal report given Santa Clara County officials at a public meeting held Friday evening at the International Kitchen at Niles.

Officials from the two counties attended a public meeting to hear a talk by Robert Baumgarten, representing the Water Resources Development Corporation of Pasadena. Baumgarten spoke on artificial nucleation, or the process of increasing rainfall by means of seeding clouds with silver iodide.

He told his audience that Santa Clara County had authorized his corporation to conduct a survey of the Anderson Dam area to determine if the rain-making process could be utilized in filling the newly-completed reservoir.

He said that the results of the survey showed that it was a perfect location for such a project and that the equipment could be brought for operation from February through mid-April for \$17,500.

He stated that Alameda County could gain some benefit from the project by means of the expected increased rainfall boosting the

'RAINMAKER' PROMISES LOCAL DEMONSTRATION

A free demonstration on rainmaking is to be staged for the benefit of the directors of the Alameda County Water District.

This information was received Tuesday by W. D. Patterson, president of the water district, from Kenneth Perry, Palo Alto, operator of the Universal Air Service.

Perry, who recently gave a talk before the members of the local board on his type of rainmaking operation, volunteered to conduct the demonstration in the hills near here as soon as conditions are favorable.

He will use one of his airplanes to scatter silver iodide on the clouds to induce the rainfall.

water level in Calaveras reservoir. He added that the survey of the range of hills which comprise the Calaveras water shed would cost \$1,500.

Representatives of Santa Clara County then asked if Alameda County or units operating within the county would be willing to share a portion of the cost of the \$17,500 project.

Directors of the Alameda County Water District, called upon individually to express their feelings on the project, each stated that he could not justify the expenditure, particularly this year when this area has more rainfall than has been recorded in the past ten years.

W. D. Patterson, president of the water district, who presided over the meeting, stated, "We would be criticized for spending money for more water now when for the past two months we have had flooding conditions in sections of our district."

W. G. Waggoner, chairman of the Soil Conservation Committee and Cattleman's Association of Livermore, likewise said his group would not be able to contribute financially.

SEASON LIMITED

Herbert Crowle, engineer for the Alameda County Flood Control and Water Conservation District, was asked if he thought the district might finance the survey for this area. He replied that such action would be a "matter of policy" and would have to be submitted to the Alameda County Board of Supervisors and perhaps to the District Attorney.

The speaker told the group that the project could only be beneficial during the normal rainy season.

He said that the company uses generators on the ground to saturate clouds with silver iodide, causing them to drop more than the usual amount of rain.

When asked as to the actual cost of the project on an acre basis, Baumgarten declared that in the State of Washington, where the

DUMBARTON BRIDGE APPROACH PICTURE PROVES PUZZLER

The difficulty experienced by many local residents in identifying the location of the mystery picture in last week's "Guess Where" Contest resulted in a sharp drop in the number of contestants.

Only 37 persons felt confident enough of their guesses to telephone their answers to The Register, and all but five of them were correct.

DECOTO MAN WINS

First to call, promptly at the opening hour of 9 a.m. last Friday, and identify the pictured roadway as a portion of the approach to Dumbarton Bridge near Newark in what is commonly called Dumbarton Heights, was Donald Bragg of Decoto. Bragg has been a contestant for many weeks, but last week marked the first time that he has broken into the winning column.

Second prize went to a Niles boy, Maynard Enos, whose call was received about mid-afternoon Friday.

Contest officials, who had predicted that many contestants would identify the locale of the picture as a portion of the Niles Canyon Highway, received a surprise when only two contestants made that mistake.

CONTESTANTS LISTED

Contestants correctly identifying the picture, in the order that their calls were received, were: Donald Bragg, Decoto; John Berchem, Niles; Bud Mello, Niles; Joe Semas, Mission San Jose; Tommy Keller, Niles; Helen Vieux, Niles; Charles Oliver, Sunol; Anthony Rogers, Mission San Jose; Melba Olk, Newark; Helen Bettencourt, Newark; Ray Alberts, Newark; John Amaral, Newark; Laverne Faria, Newark.

Mrs. Tony Rivers, Centerville; Lewis Adams, Irvington; Mrs. Frank Mayer, Irvington; Bruno Orsetti, Newark; Alberta Delgado, Niles; Ruby Alberts, Newark; Florence Matthews, Niles; Maynard Enos, Niles; Tom Keller, Niles; Douglas Mackintosh, Niles.

Geraldine Parks, Niles; George Bonde, Niles; Mary Lotti, Newark; Adolph Rose, Newark; Ed Glick, Irvington; Eugene Pashote, Newark; Fred Costa, Irvington; C. Dias, Irvington; Jackie Martin, Newark; and Bill Silva, Centerville.

PARTY PLANS . . . Shown outlining preliminary plans for the big Grand Opening Party of the Arthur C. Day Implement Company's new plant near Centerville are, left to right, Gene Manning, executive secretary of the Washington Township Chamber of Commerce; Elwood Johnson, manager of the establishment; and William Chilcote, secretary of the Centerville Chamber of Commerce. The firm will stage an open house party for the public, complete with entertainment and refreshments, on Saturday, February 10. The plant is located at the intersection of the Centerville-Alvarado Highway and Decoto Road. —Register Photo

MEMORIAL BUILDING HEADS TO BE FETED

The members of the building commission of the Washington Township Veterans Memorial Building at Niles will be honored at a dinner on Monday evening, February 19, in Castro Valley.

The dinner will be sponsored by the Alameda County Board of Supervisors honoring the veterans of all wars who are now serving on building commissions throughout the county.

Local commissioners expected to attend are Frank X. Veit, Patrick Pine, LeRoy Brown, William Martin, George L. Smith, Lawrence Pine, J. K. Pool and Norman Buford Collins.

James Clifford, superintendent of county buildings, who is a veteran of World War I, will be among

the speakers. The group will also be addressed by Supervisor Chester E. Stanley.

ENLISTMENTS OPEN FOR NAVY WAVES

Young women between the ages of 20 and 26 are urgently needed for the WAVES, according to WAVE Chief M. D. Doherty, Navy Recruiting Station, City Hall, San Leandro.

Chief Doherty said that the WAVES in the Navy serve in various fields, such as supply, communications, aviation, general administration and hospital work.

Young women interested are asked to see Chief Doherty in San Leandro on Thursday, February 8.

BOY SCOUT WEEK OBSERVANCE OPENS HERE ON TUESDAY

Boy Scouts of Washington Township will join the more than 2,750,000 Scouts throughout the nation next week in celebrating the 41st birthday of the organization.

Many activities are planned by the local Scouts during Boy Scout Week, February 6 to 12, highlighted by the annual Scouts in Action Show at the gymnasium of Washington Union High School Friday evening, February 9.

Fred Duffie, chairman of the annual show, announced this week that the doors of the gymnasium will be opened to the public at 7 p.m. and the Court of Honor will be held at 7:30. In the intervening time there will be various forms of entertainment.

Following the Court of Honor, the visitors will view the different booths and exhibits and be given demonstrations by the units of the various troops.

Scouts from Irvington, Newark, Niles, Centerville, Alvarado and Decoto will participate in the event.

Serving on the committee for the show are Kenneth Sage, program chairman; Phil Sousa, publicity; Rev. Arthur Freeman, George Ford and Wallace Pond.

February 11 is Scout Sunday and many local units will observe the occasion by attendance in church in uniform.

ANNUAL DINNER FOR NEWARK CUB SCOUTS

The Newark Cub Scouts will hold their annual Blue and Gold dinner for fathers and sons next Tuesday, February 6, at the Newark Youth Center. The affair will start at 6:30.

Two circles of the sponsoring body, the Newark Presbyterian Church, are in charge of the dinner, the Margaret Curry Circle and the Mary and Florabelle Brown Circle. In the Margaret Curry Circle are Mmes. F. A. Muller, J. H. Callow and Franklin Brown. In the Mary and Florabelle Brown Circle are Mmes. Ray Auchard, Anne Kious and Robert Grace.

Three dens will be present at the dinner, under the leadership of the den mothers: Mmes. Beth Andrus, Gertrude Cottingham, Mary Samaran and Nettie Smith.

The Cubs will assist in decorating the tables. The new Cubmaster, Oleg Skaredoff, will be in charge.

A COMMUNITY ASSET

February, a month of notable birth-days, sees the celebration of a "birthday" in which all Americans can properly join. Boy Scout Week, February 6 to 12, reminds us that one of America's largest youth organizations has reached another milestone.

The Boy Scouts of America has reached its forty-first anniversary. Since February 8, 1910, more than 17,750,000 American boys and men have been influenced by the Scout Oath and Law. They have benefitted by using their leisure-time energies in outdoor living and activities of cultural and practical values which lead boys to become dependable men.

Today over 2,750,000 boys and men are actively enrolled in over 75,000 different units. Fortunate indeed are the communities where Scouting flourishes. American adults of good character give generously of their time to give leadership. Others help by raising funds and are members of Local Boy Scout Councils which in turn provide training for leaders, camp facilities, worthwhile year-round activities, personal advance-

ment and opportunities for Scouts to render community service.

In celebration of this birthday, the Boy Scouts are engaged in a nationwide clothing collection to meet emergency needs abroad, are stepping up their training for Civil Defense and are promoting greater interest in conserving the nation's natural resources.

To the Boy Scouts of all the troops of Washington Township, and to the men who give so generously of their time to serve as leaders of the Scout movement here, we extend our wish for many more happy birthdays.

CUSTODIAN'S CLASS BEING ORGANIZED

An entirely new type of course is to be offered, beginning February 7, by the Washington Evening School for the training of building custodians.

Classes will be held each Wednesday evening at the high school between the hours of 7 to 9:30 p.m., through May 9, according to Warren Gravestock, evening school principal, who arranged the class with the assistance of Larry Sylva, superintendent of buildings and grounds at the high school.

"We have gone to considerable trouble to bring experts in all lines of building maintenance here for lectures on their special fields," Gravestock said, "and we are hopeful that we will have a large enrollment." He pointed out that the class is not confined to school custodians, but is open to all large building maintenance men.

The sessions will include lectures on fire prevention, floor protection, retirement of workers, electrical care, supply and storage of paper, maintenance of toilet facilities, heating and ventilating, safety precautions, and a visit to the new San Lorenzo high school. Scheduled to deliver one of the lectures to the class is Frank Thomas, superintendent of buildings for the Berkeley public school system, an outstanding authority on building maintenance.

IRVINGTON FOOD SALE

A food sale will be held this Saturday, Feb. 3, in the social room of the Community Presbyterian Church in Irvington, from 2 to 4 p.m. Coffee and sandwiches will be served.

ATOMIC BOMB LIFE SAVERS

By Maj. Gen. W. M. Robertson, USA (Ret.) California Director of Civil Defense

What is the primary must for self-protection in event of atomic attack?

Fall flat on your face!
Inside a building, flatten out as close as possible to cellar wall. If you have no cellar, or can't reach it, lie down along an inside wall, under a desk, table or bed away from windows or doors.

If outdoors, drop alongside base of substantial building or fall flat in gutter or ditch. But watch out for overhanging cornices on buildings.

Inside or out, keep face buried in arms for 10 to 12 seconds after explosion.

Source: "Survival Under Atomic Attack," official U. S. Government booklet.

CANDLELIGHT PROGRAM FOR HIGH SCHOOL P.T.A.

A candlelight program commemorating Founders' Day will be held by the Washington Union High School P.T.A. on the evening of February 8, it was revealed this week by Mrs. William Chivers, president.

Mrs. Lillie Robinson of Irvington will be in charge of the program and the topic will be, "Hereditary Gifts of Our Founders."

Honorary memberships will be awarded to past presidents and to a long-standing member in P.T.A. work at this meeting.

It has been estimated that the bay area uses about 600,000 acre feet of water annually.

DEMONSTRATION OF GRAFTING METHODS

A tree-grafting demonstration of stone fruits and walnuts will be given by Farm Advisor Lee Benson of the Agricultural Extension Service at the ranch of Jess Perry next Tuesday, February 6, starting at 1:30 o'clock.

The Perry ranch is located on the north side of Decoto Road, one mile west of Nursery Road.

Several methods of grafting will be demonstrated, including the modified bark method, the whip or tongue method, and the saw-ket method.

With walnuts, it is necessary to store the scion wood to keep it dormant prior to grafting, and this procedure will be covered in the demonstration.

WOMEN LEARN SECRETS OF COFFEE CAKE

The Home Demonstration group of the Farm and Home Club met at the home of Mrs. Frances Mara in Newark last Friday, and took into their group three new members, Madeline Silva, Florence Graber and Marie Cordova.

The women enjoyed a demonstration on how to make a Star Coffee Cake, given by Mrs. Evelyn Joseph and Mrs. Mamie Ferreira. They also led a discussion on "Quick Refreshments."

The next regular meeting will be held at the home of Mrs. Thelma O'Neil of Niles.

Here's to Your Health

By DR. JAMES C. MALCOLM
Health Officer, Alameda County
Health Department

You will be interested in the action being taken this year by many of the school boards in Alameda County to help in the eradication of tuberculosis.

Not so long ago we recommended to the school boards that they require periodic x-ray examination of all school personnel. Most of the school personnel have now decided on this requirement, and are making plans to put it into effect. The services of the x-ray truck of the Tuberculosis Association are being enlisted, so it will be easy for teachers, secretaries, cafeteria workers, bus drivers, and others to secure their x-ray.

Why was this policy recommended to the schools? Because school people have the kind of prolonged daily contact with children which makes the spread of tuberculosis possible. Tuberculosis in its early stages produces no symptoms, and the only way to detect it early is by an x-ray of the chest.

Both the California Attorney General and the Alameda County District Attorney have ruled that it is legal for school boards to require periodic x-rays of all school personnel.

How often should "periodic" x-rays be taken? One a year is recommended, and not less often than once in three years. This is also sound advice for all adults whether they work in a school or not. We in the health department remember our yearly x-ray.

I am sure you join me in offering commendation to the school officials for this important decision they have made.

D. CARABELLO OF DECOTO SUCCEDES

Domingo Carabello, 50, of Decoto, died in an Oakland hospital Tuesday following a lingering illness.

He was the husband of Maria Carabello; father of Mrs. George Alcon, Mrs. Domingo Alcon, Georgiana, Dorothy Lee, Robert James and Albert Carabello and the brother of Mrs. Philipe Dominguez of Decoto.

Funeral services will be held at the home of Mrs. Dominguez today (Friday) at 9 a.m., followed by a requiem mass at Our Lady of the Holy Rosary Church, Decoto, at 9:30 a.m. Interment will be at Holy Ghost Cemetery, Centerville.

rites today for ROBERT F. HALEY

Robert F. Haley, 71, died at his home in Niles on Tuesday and will be given final rites today (Friday).

He was the father of J. C. Haley of Bardwell, Texas, Miss Pearl Haley and Riley Haley of Niles, Robert Haley, James A. Haley and Mrs. Edward Bradshaw of Milpitas, Mrs. Frank Erickson of Alameda, and the late Roscoe Haley.

He was a native of Texas. Services will be held from the parlors of the Berge Mortuary in Irvington at 2 p.m., followed by interment in the I.O.O.F. Cemetery, Irvington.

"Now, I've been using dairy products from the CLOVERDALE CREAMERY for about fifty years . . . and I'd advise anybody to change over to these fine products as early as possible."

DECOTO REZONING PLAN MEETS FAVOR

Rezoning of Decoto business property along the Hayward-Niles Highway appears probable, following consideration of the problem Tuesday by the Alameda County Planning Commission.

A delegation of Decoto residents attended the rezoning hearing at the court house in Oakland. Spokesman for the group was P. J. Faletti, who stated that the present zoning requirement of a 24-foot set-back from the highway makes practically all the business property along the highway too shallow for use.

The commission suggested that the property be rezoned to designate it for commercial use so that the set-back requirement would be withdrawn. Final hearing on the rezoning will be held in the court house February 20.

ONE-ACT PLAY AT COUNTRY CLUB

A one-act play, in which members of the Country Club poke fun at themselves and their fellow club members, will highlight the regular meeting next Tuesday of the Club.

The play, "Good Neighbor," is a satire on women's clubs in general, dealing with the foibles and follies of club women, but ending with a definite thought-provoking message.

The comedy, which is being staged by the Arts Appreciation Section of the Club, will follow the regular business meeting which starts at two o'clock.

Included in the speaking parts in the cast of "characters" are: Mmes. Roland Bendel, John Whipple, Tom Robbins, Joe Svoboda, Walter Connolly, Dora Mae Scudder, Edna Overacker, Vivian Bateman and Mrs. Howard Overacker. Prompters are Mrs. Florence Myrick, Mrs. J. A. McDonald and Mrs. L. S. Williams.

ALLEGED CAR THIEF ON TRIAL IN CENTERVILLE

Mrs. Gertrude Rutherford, 29, who gave her home address as Pismo Beach, appeared in Centerville Justice Court last Friday and entered a plea of not guilty to a charge of grand theft.

Mrs. Rutherford denied the charge that she stole the automobile of Juan W. Cabebe of Centerville.

The preliminary hearing has been set for 3 p.m. today (Friday) by Judge Allen G. Norris.

NEW OPERATORS FOR DECOTO SERVICE AND LUNCH

The operation of the Decoto Service and Lunch at the intersection of Decoto Road and Niles Highway, was taken over by Mr. and Mrs. Frank Gomes yesterday.

Mr. and Mrs. Gomes, former residents of Hayward, where they operated Frank's Place for 17 years, will move to the apartments over the Decoto establishment.

They will operate the lunch counter and will employ a man to take care of the filling station. The business is owned by P. J. Faletti.

The settlement of Colorado began with a gold rush near Denver, in 1858.

Frauds against the California unemployment insurance fund do not constitute a major abuse, but they do help to deplete the fund which is steadily losing money, despite the record employment in the state during the last year.

Frauds play their part in setting up the condition where employment insurance benefits might be stopped entirely, or the employers forced to pay a higher tax on their payrolls to replenish the fund, or the employees themselves again being forced to contribute 1 per cent or more of their pay checks to the fund.

In 99 per cent of the cases of fraud, the perpetrator is working

at some job and collecting unemployment benefits at the same time.

In some cases a worker quits or is laid off a job that comes under unemployment insurance. He or she applies for benefits and at the same time goes to work in agriculture or domestic service.

Now domestics are under unemployment insurance, but only if regularly employed and receiving \$50 or more in wages from one employer in a calendar quarter, so there still is a loophole for frauds.

Approximately 100,700 persons a week received unemployment or disability insurance payments dur-

ing September, according to the Commission's report.

Fraud investigators have done a remarkably good job, and when word gets around that the investigators are in the neighborhood, Commission records show the claims took a sharp drop, indicating that there is fraud going on.

Between July 1, 1949, and June 30, 1950, a total of 3,432 investigations were made, which resulted in 1,142 court convictions. In addition, many cases were of a petty nature and were settled by the Commission without court action.

One of the common rackets is for the worker to have two or even more social security cards.

The Federal government could well tighten up on the issuance of social security cards.

A system placing the thumb print on social security cards, as is done on automobile drivers' licenses, with a penalty against a

person who secures more than one social security card, might end this racket.

As said before, outright fraud is not so much of a problem as the "voluntary quit" where the claimant uses all sorts of subterfuges to avoid getting a job, meanwhile drawing unemployment insurance.

But they all add up to the reason why the unemployment insurance fund in California will have paid out \$23,000,000 approximately more last year than it took in, according to the best estimates.

If these rackets can be stopped, the money saved for the honestly unemployed workers of California will result in an increase in the unemployment reserve fund instead of a deficit, at least as long as the present full employment lasts.

But there are still other rackets that must be abolished if the fund is to be protected.

IRVINGTON STORE HAS NEW OWNERS

The sign over the business house at 131 Mission Street, Irvington, which for the past 18 years has read Leal's Market, was removed this week and replaced by the name, Lee & Virginia's Market, denoting the change of ownership of the establishment.

The new owners are Mr. and Mrs. Leland Steinmetz of Mission San Jose, who for the past four years has operated the S & F Store at Warm Springs.

The store was first opened by J. F. Leal in 1933 and was taken over by his son, Vernon F. Leal, in 1946. Mr. and Mrs. Leal have moved to Sacramento where Vernon is employed as an airplane mechanic at McClellan Field.

The new owners have announced that the store hours will be from 8 a.m. until 7 p.m. daily except Sundays.

Boy Scouts Mark 41st Anniversary

"STRENGTHEN LIBERTY"
41st Anniversary 1951
BOY SCOUTS OF AMERICA

Official poster marking the 41st birthday.

President Truman will greet 12 outstanding Boy Scouts in the White House on Feb. 6 opening the 41st anniversary of the Boy Scouts of America. Boy Scout Week will be observed Feb. 6 to 12 in every part of the nation by more than 2,750,000 boys and adult leaders. "Strengthen Liberty" is the birthday theme.

At "birthday parties" during Boy Scout Week throughout the nation each member will recite himself to the Scout Oath or Promise. In each community representatives of the churches, schools, government and business will observe the anniversary with their Scouts. At Unit "open house" parties, parents, relatives and members of the chartering institutions will hear a review of the year's program features, service projects and membership gains.

During Boy Scout Week members of the organization will develop window displays and demonstrations on civil defense and conservation. Each member will inspect his home to make certain no hazards exist. Surprise mobilizations will test Scout efficiency should emergencies arise.

Since 1910 more than 17,500,000 boys and men have been identified with the Boy Scouts of America.

'MOTHERS MARCH ON POLIO' BOOSTS FUND BY \$900

"The Porchlight Brigade" of mothers of Washington Township, all members of P.T.A. units, waged an intensified campaign for funds to battle polio Tuesday evening and added more than \$900 to the fund.

Residents of the township who were willing to contribute to the current March of Dimes campaign were asked to turn on their porch lights between the hour of 7 and 8 p.m. and the volunteer solicitors would know to call.

Mrs. William Chivers, president of the Washington Union High School P.T.A. and general chairman of the Brigade, announced that funds were received as follows:

CUBS NO DUBS

In Newark the Mothers' March on Polio turned into a Cub Scout March, and a very successful march it was, too.

When the Cubs learned that their mothers were not participating, they banded together, put on their uniforms, and set forth, returning with \$69 for the polio fund.

The project not only earned them the respect and admiration of their elders, who felt a little sheepish, but also earned them their Community Service badges.

lows; Niles, Mrs. Frank Andrade, chairman, \$414.47; Centerville, Mrs. Nick Lewis, chairman, \$269.36; Decoto, Mrs. Elvie Cordova, chairman, \$157.18; Mission San Jose, \$40.25; Alvarado Mothers Club donation, \$15, and Warm Springs Mothers Club, \$5.

Some homes with porch lights lit were not called on due to the scattered area that was covered by the workers, Mrs. Chivers stated. She asked that those persons missed forward their contributions to the schools or to the local chairman.

J. V. Gould, co-chairman of the campaign along with E. Dixon Bristow, said yesterday that the collection turned in by the high school students on Wednesday amounted to \$61.09.

He stated that the miniature iron lung contribution boxes will be collected next week and asked that all that wished to contribute to the drive please do so immediately.

NILES WANTS PHONE TO COUNTY BLDG.

Direct telephone connection between Niles and the new county office building on Fremont Avenue near Centerville is being requested by the Niles Chamber of Commerce.

Dr. T. C. Wilson stated at Tuesday's meeting of the organization that, if telephone calls from Niles to the sheriff's substation in the building must be routed through the Hayward telephone office, there would be little advantage to Niles in having the substation in this area.

Secretary Vernon Ellsworth was instructed to communicate with the Pacific Telephone & Telegraph Company urging that a direct telephone line from Niles to the new building be installed.

President E. A. Quaresma appointed George Bonde, K. P. Bruner and Howard Mitchell to serve on a nominating committee.

Benicia Arsenal, an ordinance depot, was established in 1851.

Carson Spur, in Amador County, reaches an elevation of 8100 feet.

FIRST-AID TRAINEES EXCEED 800 HERE

Interest in first aid courses offered by the Washington Evening School in conjunction with the Civil Defense Plan continues to gain momentum here with more than 800 township residents now enrolled in classes.

Warren Gravestock, principal of the evening school, said yesterday that there are now 24 classes being conducted throughout the township. Four new classes are scheduled to begin sessions early this month. An afternoon class, from 2:30 to 4:30 each Monday and Wednesday at the Centerville Elementary School, will begin convening on February 19 with Mrs. Stella Benbow as the instructor.

A new standard first aid class with Clyde Voorhees as the instructor, will begin sessions on February 19 at Washington Union High School, meeting Mondays and Wednesdays from 7 to 9 p.m.

A new class for men only, de-

signed to be of greatest benefit to block wardens, will begin meeting February 15 at the high school with Jud Taylor as the instructor. Classroom periods will be from 7 to 10 p.m.

The first advanced course will be started in Irvington on February 13, Gravestock said, meeting from 7 until 10 p.m. each Tuesday at the elementary school.

Classes in Warm Springs and Centerville completed their course of study this week, and several more localities have but a few meeting sessions left to complete their first standard classes.

AMBULANCE COMPLETES 100th LOCAL MISSION

Bernard Vail, owner and operator of the Township Ambulance in Centerville, announced yesterday that his ambulance this week completed its 100th mercy mission since it was put into operation six months ago.

Farewell Luncheon For Future Nun

Lorraine Alvernaze of San Jose, who will become a nun at Mary Knolls in Missouri, was given a farewell luncheon at the International Kitchen last week. She is a cousin of Mrs. Harry Rose of Irvington.

Others present at the luncheon were her mother, Mrs. M. P. Alvernaze; her sister, Mrs. R. Amara; and Mrs. C. Maciel, all of San Jose; Mrs. Alice DeSalles of Niles and Mrs. Rose of Irvington.

Over the Week-End

Guests at the John Kallu residence in Decoto last Saturday were Mrs. Kallu's parents, Mr. and Mrs. Manuel P. Escover, and her brother, Edward Escover, all of Livermore.

On Sunday, Mr. Kallu and Henry Dutra, also of Decoto, motored over to Antioch on a fishing excursion, but reported "no luck."

A 'Proxy' Shower Held in Newark

Although the guest of honor at this baby shower was in Astoria, Oregon, the party was nevertheless a huge success, and Mrs. Beverly Nunley, the honoree, was there in spirit if not in person.

The shower was given by her mother, Mrs. Mildred Hird of Newark. Many lovely gifts were received by proxy by Mrs. Nunley, who is in Oregon because her husband, in the Navy, is stationed there.

Those present at the affair included: Mmes. Gistina Beyerle, Anna Kounousky, Marge Castelhano, Melba Olk, Dorothy Vargas, Betty Cunha, Maudie Valles, Annie Cotton, Bernice Wagner and Beatrice Souza.

Those sending gifts but unable to attend were Roberta Cotton, Mrs. Lillian Guildo, Mrs. Clara Faria and Mrs. Lillian Costa.

Birthday Fun

Barbara Musick, daughter of Mr. and Mrs. L. W. Musick, celebrated her sixth birthday in the way that every little girl likes to celebrate—at a party, of course.

The afternoon was spent with the traditional party games.

Those who enjoyed the fun included Tonia Stewart, Donna Hadley, Glynny Smith, Zelma Lee Gullarte, Laurel Whipple, Jeanie Goldliher, Harriet Brown, Sandra Searles, Sandra Strauel and Jacquie Joseph.

Honored on Anniversary

Mr. Maurice B. Marks of Mission San Jose was the guest of honor last Wednesday at a luncheon given by the Travelers' Club, honoring him in observance of his twenty-fifth year with the Travelers' Insurance Company. The affair was held at the Moose Club in Oakland.

Birthday Party For Newark Lad

Jerry Wayne Blair of Newark was a surprised guest of honor at a birthday celebration last Friday, held at the home of his great-aunt, Mrs. Joseph Valles.

The youngsters present to help him celebrate were Sylvia Berkart, Cathy Norris, Donna Mae Norris, all of Centerville; Jimmy Castelhano, Gary Cunha, Linda Cunha, from Irvington; Lorraine Cosio from Decoto; Susan Alberts from Hayward, and Ronald Valles and Larry Valles of Newark. Little Ray and Terry Marshall were unable to attend but sent a gift.

The children enjoyed the birthday cake baked especially for the occasion by Mrs. Leona Cunha of Irvington.

Among the adults present to supervise were: Margie Castelhano, Irvington; Leona Cunha, Irvington; Mr. and Mrs. Joseph Alberts, Hayward; Mr. and Mrs. Floyd Byers, San Mateo; Mrs. Rose Norris, Centerville; Barbara Cosio, Decoto; Mrs. Opal Cosio, Decoto; Adeline Norris, Centerville; Mrs. Mildred Hird, Newark; and Mrs. Maudie Valles, Newark.

Sugar 'n' Spice

Jo Ann Silva, daughter of Mr. and Mrs. Eddie Silva of Niles, arrived at Hayward Hospital on January 24. She weighed six pounds at birth. One of the most enthusiastic "greeters" upon her arrival home was her "big" brother, two-year-old Gary.

Jo Ann was named after her grandfathers, Joseph Martin and Anthony Silva (now deceased). Other proud members of her family are Grandma Mae Martin of Alvarado and Grandma Flora Silva of Niles.

At the Ballet

Planning to attend the Sunday night performance in San Jose of "The Ballet de Paris" are Dr. and Mrs. Eugene Grau, their daughter, Betty, and Dorothy Shanks of Irvington. The Graus will first have dinner at the home of Mr. and Mrs. Ray Stephan of Stoneybrook, and the Stephens will then accompany them to the ballet.

In Las Vegas

Mr. and Mrs. Sieck of Council Bluffs, Iowa, were visitors last week of Mr. and Mrs. John Brahmst of Niles. The Brahmsts then motored south with the Siecks, visiting Bob Brahmst in San Luis Obispo, then went on to Las Vegas, where they spent two days at the Flamingo. They were there during the A-bomb test. The Brahmsts planed back to the bay area, and their friends returned east.

Returns from Chicago

Mr. Dan Bodily, local contractor, returned this week after an eleven-day trip to Chicago where he attended the national builders' convention. He went on a special train with other builders from the East Bay. Returning with all sorts of new ideas, Mr. Bodily now is back at his house-building in the Ellsworth Orchard with renewed enthusiasm. He is getting ready to build 35 more new homes in the tract.

Use Register Want Ads

Couple Return from Eastern Trip

Mr. and Mrs. Richard Botts (Jacqueline Gorman) returned from a trip east this week and are now living at the Niles home of Mrs. Botts' parents, Mr. and Mrs. A. W. Gorman. During their stay in the east, their ten-months-old daughter, Jeanne, was taken care of by Mrs. Gorman.

Mr. and Mrs. Botts have left their home in Honolulu to make their home on the mainland. Most of their time will be spent traveling, however, as Mr. Botts—during his stay in the east—signed a three-year contract with the Columbia Lecture Bureau. He will make a lecture tour, showing pictures he made in Honolulu. While he and his wife were in the east, his pictures were shown to representatives of "National Geographic Magazine," who considered them outstanding. Mr. Botts is an author of considerable note, having published in many national magazines.

Shower for Mrs. Jack Moser

Mrs. George Meck and Mrs. Roy Moser were co-hostesses at a stork shower last week honoring Mrs. Moser's daughter-in-law, Mrs. Jack Moser (Joy Silveira).

Pink and blue was the color scheme chosen by the hostesses, who arranged a table setting featuring a stork centerpiece, bassinet favors, and napkins folded to represent baby saques.

The guest of honor was delighted with her many gifts, especially as none of them was duplicated.

Those attending the shower included Mmes. J. A. Silva, May Costa, Margie Perez, Mamie Duarte, Marian Lowe, Mary Duarte, Madelyn Silveira, Mary Silveira, Mary Furtado, Millie Vance, Ruth Ann Gilli, Mae Meck; and the Misses Thelma Costa, Duilinda Duarte and Amelia Silva.

Happy Birthday

Danny and Terry, twin sons of Dr. and Mrs. Elmo Grimmer Jr. of Niles, celebrated their fourth year of "growing up" at a birthday party given at their home on January 30.

The little guests enjoyed a lovely luncheon and spent the remainder of the afternoon playing in four-year-old fashion. Those present were Alvin Feliciano, Johnny and Ann Howe of Mission San Jose, Stevan Katzer of San Lorenzo, Susan Turner, Shirley Quarantoli of Niles, Jackie Coley, Billy Nordvik, Jeff Voorhees and Penny Moore of Centerville.

The table was decorated with gaily colored balloons and in the center of all was a beautiful cake representing a circus tent.

To Leave for Nurses' Training

Lorrie Luchetti, who has been a clerk at Whitaker's Pharmacy for the past two years, will leave on February 14 to take up nurses' training at Highland Hospital. She makes her home with the Jed Oxborrows of Niles.

Taking over her duties as clerk in the pharmacy will be Mrs. Norma Jean Freitas of Newark. Miss Luchetti has spent these past few days "breaking in" Mrs. Freitas, who is enthusiastic about her new job.

TOO LATE TO CLASSIFY

THE YEAR'S BEST BUY IN REAL ESTATE! Over 250 square miles of excellent land, ideal for gravel-digging. Includes all of Washington Township. Once was good farming land. Also at one time considered ideally suited for homesites. Hurry! Hurry! It's going fast! Come dig while there is still a little land left. For further information contact almost any land-owner in Washington Township who will quote you a price. And what a price! No where else in California will you be able to dig as you can in Washington Township. Act today! Tomorrow the land will be gone! Guaranteed no interference from the County Planning Commission or the Board of Supervisors in your gravel operations. For more details on gravel operations in the township, consult some local Chambers of Commerce, or phone The Register office.

THE SHOW MUST GO ON!

I have been rehearsing a part in a play. I'm not kidding myself. I'm no Tallulah Bankhead. But I DID think I had a little more dramatic talent than seems to be coming to the fore.

For example, in the very minor part that I have the script says "GIGGLE NERVOUSLY." Now, who would ever have believed that a simple little thing like giggling nervously could be so upsetting?

Goodness knows there have been times in my life when I HAVE giggled nervously, so it shouldn't be so difficult to do. For example, when somebody says, "I read your column last week," or when one of the neighbors opens up a conversation with me like "Now, about that dog of yours—" Then I giggle—but VERY nervously.

Anyhow, now I have to do it in a play. So I decided the other day to practice in the bathroom, that being a nice quiet place where I can giggle to my heart's content. Suddenly I heard a confusion in the other room. There was excited conversation going something like this:

"What's Mom doing? Gargling?"

"Sounds to me more like she's being sick."

"No, I don't think so. It sounds to me like she's making like Lily Pons again, doing that—'wha'd'ya call it?'—the Bell song?"

"Yeah, maybe that's it. . . ."

Proutys Move Back

Mr. and Mrs. Jack Prouty and two children have moved into their new home in the Ellsworth Orchard. They formerly had a home at Twain Harte, but lived in the township prior to that time, in the home now occupied by Judge Quarlesma and family.

On Week-End Pass

Gordon Kibby, stationed at Camp Roberts, had a week-end pass and came home to visit his parents, Mr. and Mrs. Hugh Kibby, over Saturday and Sunday.

Unlike some of the reports heard about food in some of the camps, Gordon says that the meals at Camp Roberts are "okay."

Gosh, no, that can't be it either. "I know what it is! She's practicing her Spanish lesson for the class next Tuesday night!"

I thought it was time I came out of the bathroom.

The boys looked at me curiously. "Gosh, Mom," one of them said, "What's the matter with you? We thought you were sick."

"No, I'm not sick," I said, feeling foolish. Then I did it—spontaneously. I giggled nervously!

CONFUSION

There seems to have been some confusion concerning the mystery picture of last week. Some people phoned and identified the blood donor on the front page, instead of the stretch of road leading to the Dumbarton Bridge.

IT'S HERE AGAIN

For readers who have missed the items from the old files in The Register lately there is good news: the column is in again, under the sponsorship of Nielson Hardware Company in Centerville.

KNIGHTS OF PYTHIAS SEAT NEW OFFICERS

Ernest F. Phippen has been installed as chancellor commander of the Centerville Lodge No. 170, Knights of Pythias.

Other new officers installed are Clarence Springer, vice-chancellor; Garland W. Archick, prelate; Ray Truscott, master of work; Leonard Whitbeck, secretary; Matt Mathiesen, financial secretary; L. C. Marriott, treasurer; Jack Deluce, master-at-arms, and Jack Kleine and Stanley Blythe, guards.

NILES BOY COMPLETES RECRUIT TRAINING

John L. Castleman, seaman recruit, U.S.N., son of Mr. and Mrs. J. B. Castleman of 390 Riverside Avenue, Niles, has completed recruit training at the Naval Training Center, San Diego, and is now awaiting assignment to a fleet unit or to one of the Navy's schools for specialized training.

NEW OWNERS FOR GROCERY AT NILES

The grocery store at the intersection of the Niles-Mission Highway and Centerville Road was reopened this week by Mr. and Mrs. Bill Jones under the name of Jones' Food Market.

Mr. and Mrs. Jones are former residents of San Jose. He is employed at the Westinghouse plant at Sunnyvale, and Mrs. Jones, a registered nurse, was formerly employed in San Jose operating an iron lung for polio victims. The couple has moved to the apartment at the rear of the store.

They have announced that the store will be open week days from 7 a.m. until 9 p.m. and on Sundays from 9 a.m. until 5 p.m. The store was formerly operated by Mr. and Mrs. Roy Gomes.

TWO NAVY ENLISTEES FROM IRVINGTON, DECOTO

Two more Washington Township young men were enlisted in the U. S. Navy on January 29, through the Navy Recruiting Station, City Hall, San Leandro.

The young men are: Robert Gonzales Hernandez, son of Mrs. Catalina Hernandez, of P. O. Box 218 Irvington, and Ernest Gonzales Rodriguez, son of Mr. and Mrs. Maximo Rodriguez of 308 Fifth Street, Decoto.

Both men are graduates at Washington Union High School, class of 1950.

Say you saw it in The Register.

The FARMERS CORNER

by Ralph H. Taylor

Executive Secretary Agricultural Council of California

TIME TO FACE FACTS

In Washington, Sacramento, and City Halls throughout the nation, American lawmakers are at work charting the destiny of 150 million people.

On every governmental front, talk is of preparedness, of a girding of the national loins for emergency—that is the high light. The undercurrent is politics. It is how will Congressman Zilch get a new federal dam for the folks back home? How will State Assemblyman X orient a new social welfare program with defense? Bigger and more powerful grows Government in the guise of defense and preparedness.

Comments the thorough-going California Taxpayers' Association: "The little man, looking on at the side lines, wonders whether this nation is girding itself for war—or is trying to fool itself by going through the motions of rearming. He sees little evidence of actual tightening up in non-military government activities.

"A ship, facing a storm, battens down its hatches—to face the battle ahead.

"A wise community, in the path of a hurricane or a tornado, gets ready—certainly does not set out new trees.

"A city, knowing itself in the line of an earthquake fault, builds its buildings so they will withstand major earth shocks.

'EXPANSION AS USUAL'

"But our governments today—although apparently recognizing the dangers from our enemies and in the face of heavy casualties in Korea—seem determined to carry on business—even expansion—as usual.

"Government in America today tosses dollars around as if they were grains of sugar. . . . When government wastes dollars it is in reality wasting men and materiel."

Homer D. Crotty of Los Angeles, president of the State Bar of California, comments that the governmental situation today is a nibbling-away-at-liberty process that is the product of the "Socialist International—The Second International." Looking at the march of events since the days of Queen Victoria, Crotty remarks that while opposed unalterably to the Third (Communist) International, the American people are complacent about the advance of the Socialistic International.

"Is confiscation unrecognizable when it happens gradually?" he questions.

As the Taxpayers' Association so succinctly puts it: "Isn't it time to face facts?"

CALL A HALT

Isn't it time, may we ask, that in Washington, in Sacramento, in every seat of government, the people take hold and demand an end to nonsensical expansion and non-defense spending? The nation never yet has stepped aside from a sacrifice in time of need—and it won't now—but the country hardly can afford to continue to destroy production incentives by the confiscatory tax and drain of government without conscience.

NEWARK MAN CHARGED ON TWO COUNTS OF FORGERY

Dannie D. Yost, 27, of 785 Cherry Road, Newark, appeared in Centerville Justice Court last Friday and entered pleas of not guilty to two counts of forgery. The preliminary hearing was set for today (Friday) at 3 p.m. by Judge Allen G. Norris.

MIKE McCAULEY AT GEARY THEATER

Having successfully launched the smash hit comedy, "Affairs of State," starring Celeste Holm, on Broadway earlier this season, Producers Richard W. Krakeur and Fred F. Finklehoffe are bringing their next production of the season, the exciting and entertaining drama, "Mike McCauley," to the Geary Theater, San Francisco, on Monday evening, January 29, for a limited engagement.

Starred in the leading roles in the comedy drama will be the Hollywood favorite, Don DeFore, and the foremost actress of Italy and Continental Europe, the distinguished artist, Isa Miranda, and supporting the two stars will be the well known film player, Tom Neal, and an excellent cast composed of James Cross, Don Orlando, Anita Ridolfi, Charles Andre, William Hudson, Kippie Valez, Rudolph Anders, Richard Latimer and Rosay David.

Don DeFore will appear in the title role of Mike McCauley, an American GI who, with several of his fellows, has been assigned a perilous task to perform behind the enemy lines in the campaign in Northern Italy. A number of wholly unexpected events occur during the accomplishment of the mission, some tense, dramatic and thrilling, others humorous, grotesque and comic, ere the adventurers achieve the climax of their mission, which serve to make an absorbing and lively show.

The scenery for the play was designed by the famous artist, George Jenkins, and the production was staged by Co-producer and Co-author Fred F. Finklehoffe. Performances will be given every evening including Sundays, with matinees on Saturdays.

TICKETS ON SALE FOR FASHION SHOW

Mrs. Ted Harvey and Mrs. Tom Robbins are the two local women who will appear as models in the Spring Fashion Show Luncheon, to benefit Children's Hospital of the East Bay, in Hotel Claremont on March 2. Both women are members of the local branch of Children's Hospital, Toyon, of which Mrs. Dora Scudder is chairman.

Tickets will go on sale on February 7 and may be secured by contacting Mrs. Scudder. They are priced at \$3 each.

The Spring Fashion Show is part of the annual Easter Fair. Other Fair events include an exhibit of table settings, one of which will be done by Toyon Branch under the direction of Mrs. LeRoy Brown. The Fair lasts for four days.

The average size of a new-born kangaroo is one inch.

VIENNA CHOIR BOYS COMING TO SAN JOSE

Les Ballet de Paris is the attraction in the auditorium, San Jose, next Sunday night, February 4, when the sensational French Company will give a single performance of "The Diamond Thief" and "Carmen." Renee Jeanmaire, the fabulous French ballerina, with Roland Petit and Colette Marchand, are starred, with a dazzling company of French dancers.

The Vienna Choir Boys, direct from the Konvikt School in Vienna, singing in the San Jose Auditorium on Friday night, February 16. The Vienna Boys are the most beloved choir heard in America. Founded by imperial decree in 1498, the school was suspended during the war. When it reopened, 7000 boys applied for membership in the choir. Out of these 100 were chosen, from which, after a probationary period of two years' training, 30 were selected. From these, 21 were chosen for tour. Replenishments, because of change of voice, are made yearly. The program will include sacred and secular songs and a comic opera in costume.

Tickets for both events are on sale at the Denny-Watrous box office, San Jose auditorium.

KRUEGER RESIGNS CHAMBER POST

Another vacancy in the staff of officers of the Irvington Chamber of Commerce was created this week by the resignation of Monford Krueger as secretary-treasurer.

Krueger's resignation was announced at Tuesday's luncheon meeting of the Chamber with the report that he had turned over the operation of his Irvington Variety Store to his father, L. W. Krueger, and has accepted employment in Newark at the James Graham plant.

Last week, Robert Zwissig, vice-president, submitted his resignation with the announcement that he was moving to Davis to enroll in the University of California.

President Allan Hirsch stated Tuesday that no special election would be held to fill the two vacancies as the regular nomination of officers will be held next week, with the election to take place on February 13.

NURSERY SCHOOL AT IRVINGTON CHURCH

The Adamites, young matrons association of the Irvington Community Church, held a meeting last Thursday and decided to hold a "nursery school" during church services on Sundays so that mothers of small children may attend services while their young charges are in the nursery school.

The new plan will be in operation this Sunday.

SPORTS

SPORTSMEN'S CLUB SEATS OFFICERS

Newly elected officers of the Washington Township Sportsmen's Club were installed at a dinner meeting held last Thursday evening.

Installed by L. L. Lewis were: Marceline Rogers, Irvington, president; Al Caeton Jr., Centerville, vice-president; George Enos, Irvington, treasurer; Max Stevenson, Centerville, secretary; Joe Jason, Centerville, sergeant-at-arms; Joe Dutra, Alvarado, field chairman; Frank Mayer, Irvington, assistant field chairman; W. L. Grey, Associated Sportsmen delegate; L. L. Lewis, publicity, and Joe Jason, Al Caeton, Pete Nunes, John Calcano and Ray Bettencourt, directors.

Five applications for membership were received from G. C. Topel, Centerville; E. D. Meeker, Niles; Lee W. Telles, Mission San Jose; Edw. F. Feliciano, Irvington, and Floyd E. Trent, Centerville.

The crab dinner was prepared by the club's chief cooks, Henry Rego and John Calcano.

It was reported that the members are working on installing three new trap guns in the new range, getting ready for the opening shoot on Sunday, March 18.

THREE HURT IN CRASH AT WARM SPRINGS JUNCTION

A head-on truck-auto collision at the highway junction at Warm Springs last Thursday evening resulted in serious injuries for three of the five occupants of the auto.

Injured in the crash were Jesse and Salvador Ruiz and Bonnie Valencia, all of Oakland.

The injured persons were rushed to the Fairmont Hospital in the Township Ambulance.

IRVINGTONITES ATTEND P.T.A. COUNCIL LUNCHEON

Representing the Irvington Elementary School P.T.A. at the 16th District Phoebe A. Hearst Council Founders' Day Luncheon at Mt. Diablo Country Club on Monday were Mr. and Mrs. Gus Robertson, Mrs. Tom Pereira, Mrs. Richard Gregory, Mrs. Lillie Robinson and Mrs. Carrie Scamman.

HUSKIES GUNNING FOR FIFTH LEAGUE VICTORY TONIGHT

The Washington Huskies, hot on the trail of their first, S.C.V.A.L. basketball pennant in 10 years, journey to Santa Clara tonight (Friday) to endeavor to add their fifth consecutive victory to their string of wins.

According to the statistics, Coach Clyde Voorhees' lads are favored with their 4-0 standing over the 2-2 conference standing of their opponents. However, as Voorhees so aptly points out, ball games are won on points and not statistics.

ON EVEN BASIS

The preliminary game between Coach Don Wolfe's Pupettes and the Santa Clara lightweights promises to be a nip and tuck battle with both quintets holding a 3-loss 1-win standing.

The Huskies' fourth conference victory was won easily last Friday, at the expense of James Lick School of San Jose by the score of 38 to 26.

The Huskies got off to their usual slow start but began warming up in the second quarter and took their rest at half-time with a 19-14 margin.

Davis led the scoring with 12 points, followed by Juhl with 11, Wood 8, Evans 4, Galvan 2 and Vargas 1.

PUPPIES IN FIRST WIN

The Pupettes scored their first conference win of the season by dumping the Lick lightweights 41 to 19.

The scoring for the Washington lads was evenly distributed with Nieves and Zavattero collecting 8 each; Bolivia and Orozco getting 7 each, Avila 6, Galvan 4, and Martinez 2.

In a non-conference tilt Tuesday afternoon on the San Jose court, Washington quintets divided honors with Lincoln High School. The Lincoln varsity, leaders in the P.A.L., nosed out the Huskies 46 to 42, but the Pupettes took their contest 36 to 26.

NILES BUSINESS MAN RECUPERATING FROM ILLNESS

"Pat" Patchett, owner of the Peerless bus station in Niles, is expected home from Oakland this week-end. He has been there with relatives in order to take daily treatments at the Veterans Hospital, having suffered an acute attack of arthritis of the spine a few weeks ago.

During his absence Mrs. Patchett has been operating the bus depot. Mr. Patchett will still have to go in to Oakland, four times a week, to continue the treatments.

DAY BY DAY IN DECOTO

By GRACE CAMINADA

THIS IS THE NIGHT

February 2 is finally here and what's so important about this particular day? Well, it's the night for the Holy Rosary Guild's whist party. Remember, 8 p.m. at the Decoto Elementary School.

Grace Caminada Come one, come all. Everyone is cordially invited.

MOTHERS MARCH

Twelve Decoto P.T.A. members participated in the Mothers' March on Polio last Tuesday evening. Calling on all the homes that had their porch lights burning were Mesdames Evelyn Joseph, Betty

Margarido, Vivian Peixotto, Edna Hicks, Hazel Costa, Mildred Richardson, Florence Wallace, Stella Cambra, Raymond Vigil, Margaret Cardoza, Ramona Fine and Mary Cordoza.

NEW HEIR

The Carlos Villescazs of 1314 H Street are proudly announcing the birth of a son, Ernest, born January 25 in Hayward. Ernest tipped the scales at a full 8 pounds and 1 ounce, and was delivered by Dr. M. A. Lee.

BIRTHDAY CLUB

The Birthday Club held their meeting last Friday evening at the home of Ethel Avilla where Mrs. Vivienne Dunn was hostess, honoring Hazel Costa. Hazel was presented with a lovely gift from all the members. Whist was played and Linda Cunha came home with first prize and booby prize went to Mae Watkins. Delicious refreshments were served. Members present were Florence Wallace, Linda Cunha, Frances Avilla, Mae Watkins, Vivienne Dunn, Zelma Oliver, Katie Luna, Eva O'Malia, Ethel Avilla and Hazel Costa. Annie Azevedo was unable to attend. The next meeting will be held at Mrs. Azevedo's home on February 23. She and Ethel Avilla will be hostesses and will honor Katie Luna and Eva O'Malia.

SURPRISE PARTY

Rudy Caminada was very much surprised at a party given in honor of his birthday, Wednesday, Jan. 24, by his fiancée, Barbara Ponti, at her home at 294 South Main St., Centerville. The guests all enjoyed the new television set which was just recently installed. Present were Mr. and Mrs. John Gromoldi of San Jose, Gloria Arribas of Decoto, Arnold Bassignani, Mrs.

A. S. Enos, Mr. and Mrs. F. Ponti and Barbara, the honoree, all of Centerville, and Remo Caminada and Mr. and Mrs. Rinaldo Caminada, all of Decoto. Rudy was the recipient of some lovely gifts. A good time was had by all. TO FORT ORD

Mr. and Mrs. Herbert Woelfer of Oakland, Phyllis Struckman of Hayward and Mr. and Mrs. Lester Watkins motored to Fort Ord last Sunday to visit Private Rex Rowlett.

AT WHIST PARTY

Mrs. Elvie Cordoza, Mrs. Joe Carey, Mrs. Elmer Peixotto, all of Decoto, and Ruth Erickson of Niles attended the whist party given by the John Muir P.T.A. last Friday evening in Hayward. Mrs. Carey came home with second prize.

MOTOR TO GUSTINE

Mr. and Mrs. Joe Carey and Mr. and Mrs. Victor Silva motored recently to visit Flora and Alice's brother and his wife, Mr. and Mrs. Frank Muniz of Gustine.

WELCOME ADDITION

Mrs. Elsie Brown and Mrs. Joe Carey, after a shopping spree, finally came home with a wonderful piano for Elsie's home. She is enjoying the piano very much as she plays very beautifully.

DOUBLE CELEBRATION

It was a double celebration for one-year-old David Allen Caminada when he celebrated his birthday last Monday evening, January 29. The day previous to his birthday he motored with his parents, sister Diane, and brother, Butchie, and his grandparents from Hayward, to Vallejo to celebrate with his aunt and uncle and small cousin. On Monday David enjoyed a delicious dinner with his grandparents Tedeschi and his family. He was also honored to have Mrs. Frank Scarpiniti and son, Frankie, Grandpa Caminada and cousin, Bemo, come in to give him greetings. David received many lovely gifts and cards.

AT FINE HOME

Johnny and Elena Monte of Hayward and Edward Blair Jr. of San Leandro were guests of the L. J. Fine family this past week-end.

P.T.A. DOINGS

Mrs. Elvie Cordoza, Mrs. Elmer Peixotto and Hazel Costa attended a business meeting at the San Ramon High School in Danville on Monday, Jan. 29; also a luncheon and Founders' Day program at the Mt. Diablo Country Club.

FIRST AID CLASS

An enrollment of 50 members signed up last Thursday evening for first aid classes. On Wednesday, Jan. 31, a new class was formed. The instructors will be Mr. Wolfe, who will have his classes every Thursday evening

SCENE IN CENTERVILLE

By HELEN MOORE

INTERESTING VISITORS

Mrs. Marianne Mendonca recently enjoyed a visit from Mr. and Mrs. Clarence Hesse of Hayward. Mrs. Hesse had just returned from a tour of Europe sponsored by the Knights of Columbus and told of the many interesting sights she had witnessed.

IN UNIFORM

Sixteen Girl Scouts, under the leadership of Mrs. Lydia Orsetti, paid a visit to Pastor Curran, Church of the Holy Ghost, Centerville, last Sunday. As representatives of the troop, they paid their respects to the new pastor and extended a cordial welcome to our community.

VISIT AT MOSS BEACH

Mr. and Mrs. Vernon Brown are spending this Saturday night as guests of Mr. and Mrs. Donald Hegen of Moss Beach. They have been promised an abalone dinner and are looking forward to both, the dinner and seeing their friends again. Mrs. Hegen was a former teacher at Washington High School and Mr. Hegen was a popular host at the California Inn.

FIRST BABY

Mrs. Don Wolfe was the recipient of a stork shower given in her honor by Mrs. Jim Emerson of Centerville and Mrs. Keith Whipple of Decoto, Thursday night. The shower, held at Mrs. Emerson's

from 7:30 to 9:30, and Mr. Truscott, who will conduct his classes every Wednesday evening from 7 to 9. These classes will be held at the Decoto Elementary School. The age limit is 16 years and over. L. J. Fine has been named as Disaster Council Director.

AT SPRING SHOW

Mr. and Mrs. Manuel Hidalgo and Mr. and Mrs. Al Rodriguez attended the spring fashion show held at the Palace Hotel in San Francisco last Sunday afternoon. After a glimpse of the new styles and beautiful models, all enjoyed dinner at the hotel.

PARTY FUN

Mr. and Mrs. A. Ferrante of Niles had a "get-together" party on Wednesday, Jan. 24, at their home, for a few of their friends. The guests enjoyed delicious refreshments and all played cards. Present were Mrs. Bessie Borghi, Mr. and Mrs. J. Palotti and Mr. and Mrs. A. Caminada, all of Decoto, Mr. and Mrs. F. Ponti of Centerville and Mr. and Mrs. L. Giglio of Niles.

home, was attended by Mesdames Clyde Voorhees, Dwight Thornshaw, Gary Rehrig, George Reeves, Lyle Buehler, Irving Hird, George Bonde, William Humpert, Francis Howe, and W. Lamoreux. The guests enjoyed an evening of playing bridge.

GROWING UP

Little Glenn Belshaw, youngest son of Mr. and Mrs. Arthur Belshaw, reached the age of two on Thursday, Feb. 1, and was given a birthday party. Sharing honors was his friend, Katharine Silva, who celebrated her second birthday on the same day. Barbara Rose and Nancy Emerson helped them both to make this day a very special event.

NEW OFFICERS

Under impressive candle light services at the Centerville Presbyterian Church last Sunday night, the new officers of the church were ordained and installed. Mr. Ralph Logan was ordained as an elder, while Mr. Earl Mackintosh, Mrs. Margaret Chadbourne, Mr. Robert Kithcart, Mr. James Logan, Mr. Gerald Meekins, Mr. Robert Moore and Mrs. Donald Wolfe were installed as trustees. Mr. Gary Rehrig was again installed as deacon.

The new officers of the ladies organizations of the church were also installed at this service. The Ladies' Aid installed Miss Margaret Fair, president; Mrs. Jessie Wright, vice-president; Mrs. Grace Rose, treasurer. The Ruth Circle installed Mrs. Edith Mackintosh, secretary; Mrs. Dora Richmond, president; Mrs. Vernice Meekins, vice-president; Mrs. Margaret Chadbourne, secretary-treasurer; and Mrs. Lois Nelson, devotional chairman.

BUSY FOLKS

Mr. and Mrs. Ed Agna spent last Saturday night at Lou's Village in San Jose. The Wedgewood Safety Committee had their annual dinner for the members and their wives.

On Sunday they attended the wedding of Miss Emily Faria of Milpitas and Mr. Thomas Duarte of Centerville. The wedding and reception was held at the Catholic Church in Milpitas.

ST. JAMES CHURCH

Services Sunday, Feb. 4, Quinquagesima, approximately 50 days before Easter; Church School at 9:45 a.m.; Holy Communion and Sermon, 11 a.m. A nursery is provided at the rectory for this

service. Evening prayer and a film, "Amos," at 7:30 p.m.

Monday, Feb. 5, at 7 p.m., Supper Club.

Tuesday, Feb. 6, 7 p.m., Young People's Fellowship.

Wednesday, Feb. 7, Ash Wednesday, Holy Communion at 10:30 a.m. and 1:30 p.m.; Guild meeting at the home of Mrs. Dora Anderson, 5 p.m.; Evening prayer will be held.

Thursday, Feb. 8, 7:30 p.m., choir practice.

Lester Whitaker Jr. attended a meeting Sunday of the Bishops Men in Oakland, which made arrangements for the annual Washington Birthday Men's Corporate Communion and breakfast, which this year is to be held at St. Paul's Church in Oakland.

Bishop Black has just finished his term of office as president of Northern California-Western Nevada Council of Churches. The principal speaker at the annual meeting in Oakland Friday night was Dr. Ralph Sockman of New York. Bishop Black has been selected by President Truman as one of the two clerical members of the National Security Board which is to check the loyalty of government employees and make general plans for the internal security of the country.

GOOD LUCK

Ed King, son of Mrs. Ed King, went to the Alameda Hospital this week-end for surgery. We are hoping for your quick recovery, Ed; hurry and get well.

O.E.S. OFFICIALS

Thirty-three deputy grand matrons of O.E.S. held their monthly meeting at the International Kitchen with Mrs. Lucy Katzer, deputy grand matron of Orient Chapter and of chapters at Livermore, Pleasanton, San Leandro and Castro Valley presiding.

Mrs. Ollie Mae Hayes of Penryn is president of the group which includes chapters from Fresno to Woodland.

Elevations in Nevada County range from 190 to 9167 feet.

BERTOLOTTI RITES HELD WEDNESDAY

Funeral services were held on Wednesday for Attilio Bertolotti, 63, of Newark, who died Monday in a veterans hospital in Livermore.

He was the father of Mrs. Shirley Buschke and Mrs. Adele Smith of Newark and the brother of Primo Bertolotti of Newark and John and Joseph Bertolotti of Illinois.

He was a native of Italy and a member of the Washington Township Post 195, American Legion, and the Molders Union, Local 164. Services were held at the Chapel of the Palms, followed by a requiem mass at St. Edward's Church, Newark. Interment was at Holy Sepulchre Cemetery, Hayward.

REPUDIATE this agreement!

MEMORANDUM OF AGREEMENT

Washington, D. C.
December 21, 1950

1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
3. Settle rules for 40 hour week and 6 day week.
4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
5. Settle following rules:
Initial Terminal Delay (Conductors and Trainmen)
Interdivisional Runs
Pooling Caboose (Conductors and Trainmen)
Reporting for Duty
More than One Class of Service
Switching Limits
Air Hose (Conductors and Trainmen)
Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)
6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote, the employee representatives shall have one vote and the referee shall have one vote.

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

** The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

FIRST COLD WAVE OF '51 BRINGS CLEARING SKIES

The first cold wave of the new year settled over this area this week and sent the mercury skidding down to sub-freezing temperatures in the early morning hours.

Early morning risers found thin crusts of ice on the pools of water each morning since Tuesday as the mercury dipped into the high 20's. Cloudless skies, however, have allowed "Old Sol" to bring the mercury back up to more comfortable readings during the day.

Only rainfall during the week was Sunday night when .22 of an inch of precipitation was recorded by the rain gauge at the Southern Pacific depot in Niles.

Sunday's rain brought the total for the season, since July 1, 1950, to 15.66 inches, less than an inch under the 16.38 inches recorded here during the entire 12-month period of 1949-50.

Ed Richmond, manager of the Alameda County Water District, said Wednesday that the fall rains have resulted in a sizeable rise in the water tables of the wells serving this area.

The water district's 800-foot well near Alvarado has shown the most marked effect with the water rising nearly 40 feet to an elevation of 35 feet below sea level.

HINTS FOR HOMEMAKERS

KNOW THE TRICKS OF WASHING RAYONS
by the
General Electric Consumers Institute

Washing even "washable" rayon garments is not, as many homemakers have found, quite the same as washing cottons. It's a tricky business, though not at all difficult.

To begin with, you must make sure that the garment really can be washed. Look for the manufacturer's label. If it doesn't say "washable," then you'll have to have the garment dry cleaned.

Beyond this point, you must make sure that the washing, drying and ironing are done exactly right; otherwise your pretty rayon blouse may lose its looks. Here are the General Electric Consumers Institute's recommendations for doing the job.

Washing
Wash rayon fabrics as you do silk. Dissolve mild soap thoroughly in lukewarm water and gently squeeze sudsy water through the garment. Do not rub or handle roughly. With the fingertips, work in additional soap to remove spots. Rinse several times in clear, tepid water until soap is completely gone; then lift out the garment by placing one or both hands under it. Do not grab one part of it so that the rest drangles because when wet it loses its strength. To guard against mildew-

ing, do not allow rayon to remain damp.

Drying
Roll your rayons in a towel and knead for a moment to remove excess moisture; unroll and hang evenly over a line or rod in the shade until almost dry (never hang rayons near a radiator or hot stove).

It is best to dry knitted rayon articles flat (hanging them on a line when wet will drag them out of shape). They should be measured before wetting so they may be eased back to their original size as they dry.

Ironing
Most rayon fabrics should be ironed on the wrong side when damp; use a warm, not hot, iron (test the heat of your iron on an inconspicuous part of the garment, if it sticks to the material your iron is too hot). In ironing dry rayons, use a slightly dampened pressing cloth. Sprinkling may cause shrinkage. If you use a steam iron, you can press rayons when dry on the right side.

Some rayon fabrics, such as rough crepes, novelty weaves and dull or delustered rayons, should be ironed when dry or nearly dry. Combinations of rayon and wool should also be ironed at this time under a damp pressing cloth. Matelasses and similar types of fabrics should be shaped while damp; when dry, press over a Turkish towel to retain crinkle.

Iron all rayon materials with a smooth even pressure. If the dye is not fast, let the material get almost dry before ironing.

BOY SCOUT PAPER DRIVE NOW ON
Niles Boy Scout Troop No. 2 is conducting a paper drive this week, and is asking the residents to have papers and magazines tied in bundles if possible.

Those who don't know a Boy Scout in their block may have their papers collected by contacting Scoutmaster Tom Robbins, Niles 7692.

By contributing their old papers to the Scout drive, residents will thereby make it possible for a Boy Scout to go to summer camp at Dimond-O in the High Sierras.

FIRE CHIEFS ATTEND MEET
Chiefs of the fire departments of Washington Township attended a meeting of the Alameda County Association of Firemen at the Hayward Fire Station last Friday evening. The mutual aid program for Alameda County was discussed.

FIRST COLD WAVE OF '51 BRINGS CLEARING SKIES

The first cold wave of the new year settled over this area this week and sent the mercury skidding down to sub-freezing temperatures in the early morning hours.

Early morning risers found thin crusts of ice on the pools of water each morning since Tuesday as the mercury dipped into the high 20's. Cloudless skies, however, have allowed "Old Sol" to bring the mercury back up to more comfortable readings during the day.

HINTS FOR HOMEMAKERS

CALIFORNIA Fashions

What's NEW in FACE for YOU

By HELEN WEILL
Fashion Editor

With spring no more than a breath away, me thinks 'tis time to sit a bit and think—about Mine Face; for not only does Dame Fashion, but Auntie Etiquette insist that My Lady must always "put her best face forward."

Never let it be said, that with the newness of color, fabric and style, fashion does not decree the right-about-change of face. And it is a most satisfying thought to know that good old "natural look" still leads way out in front.

But with this news comes the feminine touch of that soft naturalness, almost the lady-pink of loveliness in her choice of a lighter tone of powder and paler touch of lipstick. Oh, yes, much for the artists of fashion today

all insist that the eye must have deft attention. And some even go so far to say that eye shadow should match the color of the costume.

Eye Shadow

And here is the scoop on eyes: This eye shadow can be used for day time wear as well as evening, but of course, it must be modified.

And here is a tip for you: That since eyes lead, they should have more attention and care than ever before. During the wee minutes of rest, that one snatches between engagements, lie down for as many minutes as stealable, with wee cotton packs that have been dipped into witch hazel on each softly closed eyelid. . . . Even though five or 10 minutes is the limit, there will be no regret in the result of quiet relaxation.

And then during busier moments, but at home, try eye cream patted gently on each lid—what it does to relax those drawn muscles, and help to iron out nasty wrinkles that are past the laughter stage.

However, we must remember that though eyes have the distinct attention, they must be surrounded by delicate pink-and-white loveliness. . . . and there comes the question, how? Well, one famous cosmetician urges

Eyes Have It

But if you really want to go all out in artistic effort there is one place where you may have your fling. For the eyes have it; not the terrifically accented doe-eye, as charmed the He-Man of your life this last season, but a more subtle touch of the nimble fingers with cream, eyebrow pencil and mascara.

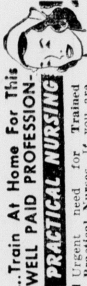

Now the trick of the artist is in keeping the eye natural, and still giving it accent of beauty; for the artists of fashion today

that pale face is best achieved by using a make-up foundation that is just a shade lighter than the powder. . . . And she adds that the powder used must be lighter than that having been used during the winter months, with only enough cheek rouge added to make or give a "delicate pink flush."

Lovely Indeed

Sounds lovely, and is indeed for some types; but our suggestion is that no matter what the definite new style trend is, in setting your "best face forward," if you are the outdoor-type (and she is the envy of all), then by all means stay with the deeper shade powder and foundation that blends with your bronze tones of the sun.

And as spring comes on, and your tones deepen, be sure to add a wee deeper color to your powder box just to be sure that you, as well as the softer in-door paint, remain in true naturalness to your environment. And along with this lady-like naturalness comes Dame Fashion's new trend of hair color. More people seem to be interested in trying new hair tones. Just for a toning up, it might be fun to experiment a bit on color shades, and try some of the exciting new hair rinses that are being talked about.

SIZZLIN' SAUSAGE SEASON

By PATRICIA PANTY

Magic from the griddle in the form of tender, golden, pan-cakes will transform an ordinary breakfast into a real occasion. Folks will hurry to the table for a stack of tender "waffles," and well browned pork sausages, a combination that's easy to serve with a basic homemade mix on hand.

The mix is a versatile formula that can be prepared in advance and stored in a covered canister on the pantry shelf for "quick as a wink" morning preparation. In all it is the basis for more than 77 different baked dishes including such breakfast favorites as waffles, hot breads, muffins and cookies and cream puffs among the many variations.

If pan-cakes are on your menu, vary the usual service and add tart chopped apples to the prepared pancake batter—a combination of homemade mix, sugar, milk and eggs. Sprinkle with a hint of nutmeg; spread honey butter between browned pan-cakes and serve hot with spicy applesauce and "just right" seasoned pork sausage links.

Here is the basic recipe with variations for E-Z pan-cakes and crisp waffles.

A combination of all-purpose flour, double acting baking powder, salt and a shortening which does not require refrigeration, the mix adds richness and old-fashioned goodness to these baked products.

MAKE-YOUR-OWN MIX

Yield: About 13 cups

2 cups shortening ¼ cup (4 tablespoons) double-acting baking powder
1 ½ cups sifted all-purpose flour 1 egg, well beaten
1 ½ cups sifted flour, salt, and baking powder. Stir well.
Sift into a large bowl. Add shortening. Use finger tips or pastry blender to distribute shortening throughout. Mix ingredients until the mixture resembles coarse crumbs. The Make-Your-Own Mix is now ready to use or store in a closed canister on your pantry shelf.

E-Z PANCAKES

Yield: 12 medium cakes
1 ½ cups Make-Your-Own Mix 1 cup milk
1 ½ cups sugar (beet or cane) 1 egg, well beaten
Blend Mix and sugar. Stir milk and egg into Mix until blended. Drop batter from tablespoon onto hot griddle which has been lightly rubbed with shortening. Sprinkle cakes lightly with back of spoon. Cook on one side until puffed, full of bubbles, and cooked on the edges. Then turn and cook on the other side. Serve immediately.

To cook pork sausage links, place them in a frying pan and add a small amount of water. Cover and steam five minutes then drain any remaining water. Cook over slow heat, turning sausage frequently until brown.

CRISP WAFFLES

1 ½ cups Make-Your-Own Mix 2 tsp. sugar (beet or cane)
1 egg, separated 1 cup milk
Blend Mix and sugar. Gradually add beaten egg yolk mixed with milk. Mix thoroughly. Fold in stiffly beaten egg white. Pour about half cup of the mixture onto a heated waffle baker and bake.

Pork Apple Salad Something New
2 cups diced cooked pork 1 cup cooked peas
2 cups diced celery 1 green pepper, shredded
1 ½ cups diced apples 1 cup mayonnaise
1 ½ cups grated carrots Lettuce leaves
Combine all ingredients. Chill. Moisten with mayonnaise. Serve on lettuce leaves. 6 to 8 servings.

Road to Happiness

(Continued from Page 2)

the hospital wards Christmas morning.

Sylvia, despite a heart crippling fever, is continuing her college education by taking correspondence courses from the University of California, in creative writing and radio communication. She is studying for her commercial license.

Her hobby is radio and fortunately for her, she has a bedside communications receiver over which she can maintain contact with the world at home and abroad.

Reception Reports

She keeps up with radio by sending reception reports to the various countries, who in turn acknowledge the letter by a handsome card, letter or speak directly to her over short wave. Sylvia can as yet only receive messages, but when she obtains her license, she will be able to send also.

Now and then Sylvia has to resort to the oxygen mask, but she won't let a little thing like that interfere with her interesting work.

Hobbies play another important part in her life, the top ones being the scrapbook project and radio. She also enjoys leather work, collects stamps and does other handwork. But—her most important hobby now is to keep these scrapbooks going and to bring cheer to many patients in all parts of the world.

"The sick, the maimed, the halt, and the blind," will all receive encouragement from her and their days will be just a bit brighter. She is helping herself by helping others and has found happiness in knowing some lonely person, nearby or far away, can turn the pages of her books and also find happiness.

It is a project that must go on and will go on as long as anyone anywhere needs help and a little joy.

HERB MEDICINE BOOK FREE

Here's a 32-page booklet full of valuable information about herbs, their use in medicine, and the many health benefits of various common ailments and diseases. It's a real gem of a book, and it's yours for the asking. Just fill out the coupon and send it to us. We'll send you the book absolutely free.

Call or write for your copy today, absolutely free and no obligation. NATURES HERB CO., Div. MA-7 345 O'Farrell St., San Francisco

California Arabian Knights Roam at Date Fiesta

ARABIAN STAGE—The exotic Arabian Nights pageant, a highly feature of the seven-day Riverside County Fair and National Date Festival, will be held on this \$25,000 outdoor Arabian stage at the fairgrounds at Indio. The pageant will be free to fair-ground visitors.

BRAHMA BUILDS WILL FEATURE DATE FESTIVAL PARADE—

Pretty riders, like this miss, will probably adorn beasts.

At first, the date men grew cash crops, like winter onions, carrots and sweet potatoes, as well as cotton, to keep them going. They would start with date palm shoots which were so small that they could even make an ant that would turn green with envy.

These original shoots, as they grew into a palm, would bear six to 10 other offspring shoots. The method was to remove the shoots from the older palms and root them under glass in nurseries. About one-sixth of the shoots survived and grew into bearing palms.

In his desperation, though, Anderson gambled on the desert. He planted his shoots in the open ground. At first, he thought he had failed as the fronds from the 66 seedlings turned gray and had shriveled.

His curiosity persisted, however, and he dug up one of the shoots to see if it was dead. Much to his surprise, it was anything but dead, and so Anderson poured water on the shoots. Eventually, all 66 of the shoots sprouted out new fronds and began to grow.

Revolutionized System
This accidental discovery, of course, revolutionized the entire system, and, as the greenhouses were shut down, all of the growers followed Anderson's suit and turned to the desert to save their crops.

The battle against moisture and birds came next. It was an almost impossible situation, because burial, the obvious answer, spoiled the taste of the dates and couldn't be used. Then came the answer, credited again to Anderson, with the use of paraffined-paper bags. Anderson had seen them used by the Army in World War I and, though scoffed at by the rest of the growers at first, they proved just the thing to fight off the enemies.

Dates took a lot of water, the Coachella growers found. At first, they pumped water that had seeped into the valley from MC San Jacinto, but the level kept dropping and dropping without any replenishment—and more and more growers came onto the desert to pump the water.

Water Supply

Through the Bureau of Reclamation, the desert growers—Coachella Land and Water Dis-

When the Swallows Come Back

Tips on Strawberries, a Garden Luxury Crop

By ALFRED AMES
Garden Editor, Magazine California

Spring fever is an insidious mental condition brought on in winter by visions of vines, trees and bushes covered with fruit. Of course, at just the right time the local nurseryman receives his spring stock and puts it out near the sidewalk with an early blooming forsythia or jasmine alongside. And then the swallows from Capistrano to Crescent City chuckle as we come back each year to buy.

Not too far from Capistrano, in fact in the foothills east of Santa Ana in the Lemon Heights section, we saw a garden, the other day, that would cross the most sober swallow. Here in the middle of January this garden had lush beds of rich red thimble, if you please, with stalks as thick as broom sticks.

Strawberry Beds

In front of the edge of the terraces were the strawberry beds studied at intervals with their ruby red fruit. We know, of course, that such a winter garden is possible in only a small climate area but the ingenious way in which this plan surrounded some of the difficulties of the home garden strawberry patch is worthy of comment.

Come now, why not admit that after the first few berries have ripened you quit dragging your friends around to see the strawberries? The usual story is that along in the middle of summer our strawberry patch has fallen victim to excess soil salinity and we decide to leave it as a patch of Bermuda grass until next season.

This Week in the Garden

Flower seeds to sow: African daisy, Alyssum, annual Canterbury bell, Baby Blue Eyes, Blazing Star, Brachycome, Browallia, California Poppy (Eschscholzia), Candytuft, Chrysanthemum, Gaura, Geranium, Larkspur, Linaria, Lupinus, Phlox, Poppies, Snapdragon, Salpiglossis, Scabiosa, Schizanthus, Sweet Peas, Virginia Stock, Wallflower, Wild Flower mixtures. Start in flats: Begonia, Petunia, Primula obconica, most perennials.

Bulbs to set: Gladiolus, Gloxinia, Jacinthe, Japanese Lilies, Lily of the Valley, Monarda, Pancreatum, Yellow Calia.

Vegetables: Beet, carrot, chard, parsley, peas, saffron, spinach, turnip, onion sets, potatoes, delicious fruit trees, berry plants, rhubarb, artichoke and asparagus roots.

Preparation of Soil Is Very Important

Now that the first rains of the winter season have blown in, we begin thinking about revising our gardens for the new growing season ahead.

After the first frost hits the marigolds, petunias, zinnias and other annual plants, we will be removing these and replanting with harder types for winter color. This is the time to put in calendulas, stocks, pansies, snapdragons and other colorful flowering plants now available at the nurseries, as well as the more permanent flowers such as the primroses, gallianthus, delphiniums, daisies, columbines, Coral Bells, phlox, and other showy perennials, which make less arduous the task of completing the planting.

Basic Phase

Before going into this new planting program, however, give careful attention to preparation of the soil. For this is one of the most neglected and yet one of the most important basic phases of gardening.

Soil preparation includes loosening the soil physically so that air can enter freely, roots encounter less resistance to their wanderings, excess water drains away more readily, and manure, fertilizer, and other ameliorating materials can be incorporated. It also involves the addition to the soil of humus (decayed organic matter) in some form or other, and of plant food.

You'll Be Repaid

The time you devote to soil improvement will repay you many times over in healthier plants and finer blooms. There are few soils that cannot be improved by the addition of humus forming materials, and you will find many weeding and watering problems easier to handle if your soil is well worked ahead of time.

Informal Design Planting Is Best

In planting the perennial garden the greatest claim is to be created by avoiding a regular formal design. The simple rule is to plant in groups of one variety, preferably in odd numbers of three, five, etc., and to ascertain the ultimate height of each group so the tallest are placed in the background and the shortest in the foreground.

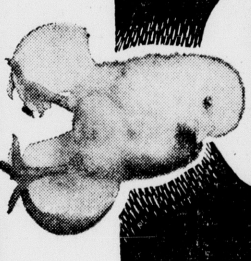

The dwarf edging varieties of perennials of which there are many, complete the picture in forming a border. Whites serve as accent plants to enhance the beauty of the general planting.

Ashes vs. Soil

Ashes of wood, soft coal and hard coal are all valuable to loosen heavy clay soil, but it is best to let soft coal ashes weather for a season, to get rid of toxic substances.

TOMATOES, BEANS Tomatoes and beans are highly sensitive to 2,4-D, the weed-killing chemical.

DONSONG LEGHORNS

Bred to LIVE... & LAY More Eggs Per Hen!

Donsong Leghorns are bred from 2 and 3-year-old, high-producing, dual-purpose birds. They are bred to lay large, white eggs. Write today for information. DONSONG BREEDING FARM 1 HITCHERY P.O. Box 208 N. Rio Linda, Calif.

MULTIFLORA ROSE FENCE

With steel fencing material becoming scarce, Multiflora Rose is becoming a popular alternative. This hardy, fast-growing shrub grows densely 6 to 10 feet high. It is climb-proof, stock-proof, spread-proof, and has the beauty of your yard. Official supplier to the U.S. Navy. Write today for details. GUARANTEED. Send for full data and prices.
